## RE STRUCTURING UPDATE

It is with a sincere sense of gratitude to all of the folks who have returned to the Ground Pati of Thibodaux. Our efforts to bring back the service is coming around slow but sure. If I were to say we are back or even close to your expectations would be simply false. However, I will say that we feel we are on the right track. Keep in mind that we do not pre-cook burgers. We serve 100% pure chuck and I refuse to pre-cook these burgers. What we are still lacking is simply time. It will take a little while longer to get my new team on the field with confidence that we can handle a large crowd, this is where we are failing. I continue to ask for your support through this training process, again, I can't do this without you. KC

So many blessings come our way everyday. But every once and awhile, it seems like something or someone touches our lives in a very special way. Ground Pati was blessed to welcome Rosa Jane Robicheaux to celebrate her 95th. Birthday. Happy Birthday Mrs. Rosa, wish you many many more.
